**Anime in the Park
Kendall Indian Hammocks Park 2026**

Meet at the Registration tent (R1)

Main goals:

- Greet attendees and make them feel welcome
- Scan tickets
- Hand out wristbands
- Hand out merchandise
- Help people put their wristbands on (optional)

Process:

Say hi, and ask if they have a **ticket** or an **order number**. Refer them to the website if they don't yet have a ticket.

Scan each ticket with the barcode reader or a tablet, or **type** the order number.

Confirm that the ticket was redeemed successfully. You should see a green window saying **VALID**.

If the yellow sign reads "ALREADY SCANNED" please do not proceed. Explain that the ticket has already been redeemed, and they will need to buy a new one. Radio for help if they push back.

Provide a **wristband** or **merchandise**, depending on what the screen says. **Entry tickets and merchandise tickets are both separate tickets that must be scanned individually.** Offer to help them put the wristband on, if they need help, and if you feel comfortable doing so.

Dealing with rude and aggressive people.

If anyone becomes combative or hostile, and you don't want to deal with it, radio for help. It's not your responsibility to handle these issues. For serious threats, find a police officer or call 911.

Radio.

We use channel 7 on the walkie talkies. It should already be on channel 7, but if not, just twist the larger knob in the middle. The radio will announce the channel through the speaker. Twist until it says channel 7. The smaller knob is for volume.

Push and hold the talk button on the side for a few seconds, then speak clearly.

For example: (press the talk button) (pause) "Hi, this is (your name) with Registration. May I please have assistance." (let go of the button)

Out of batteries? Swap the radio out at:

Shelter 3 – Panels or Shelter 5 – Main Events
